Dear Parents/Carers

I just wanted to let you all know, that everyone involved is working hard to deal with the ongoing coronavirus situation.

Governors and Senior Leadership Team met last night to plan, following advice from government and Public Health England. We will be working closely with the cluster group of schools in the area to have a unified approach that limits disruption, while keeping us all as safe as possible.

We will be providing regular updates so please keep a close eye on Parentmail. Other schools have suffered with incorrect information and gossip being posted on various social media platforms. Please look at the school's official guidance on Parentmail, Twitter and our school website: <http://www.williamstukeley.lincs.sch.uk/>

In light of the need to limit contact, **all** non-essential visitors to school will be postponed. If you need to speak to any member of staff including the office, teachers or leaders, please contact the office by phone or email (details above) where we will offer a ring-back service if necessary.

Thank you for your ongoing co-operation in this matter.

Yours faithfully

Mr R Nicholas

Chair of Governors
