Dear Parents/Carers

RE-OPENING OF SCHOOL: MONDAY 15th JUNE 2020 - CHILDREN in YEAR 6

As you may know, last Monday some of our Year 1 children joined some of our Reception children in returning to school.

This coming **Monday 15th June**, is the scheduled return of our Year 6 children

There is no judgement or comment made as to whether you do send your children, or whether you don't, but if you have **already** chosen for your child to attend on Monday, please see the information below.

Please note, it is our ambition to keep these children in school until the end of the summer term. However, due to our limited capacity, this may not always be the case.

We have created lists of classes, but these will not be 'set' until after the first day; you will be informed thereafter which group and class your child will be in.

- YEAR 6 children will enter and exit the school using the **main** school gate; this gate will be called **GATE 3**
- **Start Time:** 9:15am **Home Time:** 3.00pm (**except Thursdays**)
- Please be on time for the drop-off and picking-up of children (not too early or late)
- For the drop-off and collection of children, adults will be asked to remain outside of the boundary fence (and not to access the school site).
- We ask that only one parent accompanies the child/ren to the school gate
- When children have been collected from school, please leave the grounds promptly
- Adults and children will observe 'social distancing' whilst waiting to enter (and leave) the school
- Any 'extended' discussions with staff will need to be made by appointment – using the regular school telephone number or email.
- **Unless you have requested it, through the school or Willoughby Foods, children should bring a packed lunch, including a drink**
- Children are not allowed to bring toys/games etc. from home
- At this time, please do not send in 'book-bags' or PE Kit

- **The school will be closed on THURSDAY afternoons. The afternoon will be the teachers' mandatory time for preparing and planning work. Your child will need to be collected at 1.00 pm**
- Please see **Home School Agreement** (attached)

We have been asked about children walking home on their own. Whilst I have a view on this, it is the choice of parents/carers. If your child will be walking home alone, they still have to observe the social distancing guidance; please note we have made reference to this in the attached Home/School agreement. If we feel that these 'social distancing' requirements are not being followed, your child may not be able to attend for up to 14 days.

If you have any questions regarding the above, please email:

Stay safe
