

Attention All Parents!

Have you registered on ParentMail? By registering you can receive messages from the school via email and text.

This is great for parents because:

- Messages will get to you reliably
- We can send messages to, for example, mums and dads at the same time
- You will quickly know about important or urgent messages
- We can tell you more about what's going on at the school
- It's free!

It also means that you will help us:

- Save money because we are reducing paper, copying, post and phone bills
- Improve communications with you
- Be more environmentally friendly
- Reduce our workload

As you can see there are lots of benefits from using ParentMail and we would really like you to register as soon as possible.

To do this, please contact the school office.
