Spalding Gentlemen's Society Presents

Ancient Egyptians Activity Day £2.50

Broad Street Methodist Church, Spalding, PE11 1TB

Friday, June 2nd 2023 ~ 10am - 3pm

Come and join us in exploring the lives of Ancient Egyptians. Their art, buildings and writing; celebrations, decorations, lives and deaths.

They used writing to keep records or tell people how they felt. Their columns were used to advertise like flyers on lamp posts. And, they used flowers in festivals. Sound familiar? There might be thousands of years between us but how different are we really to ancient Egyptians?

~~~

Let the Spalding Gentlemen's Society spark your imagination and creativity to show you how similar perhaps we really are.
