

Online Level 1 and Level 2 Functional Skills Maths

This is a **free** Adult Learning course available to all aged 19+

Would you like a qualification that is widely recognised by employers?

Would you like to be able to support your children with their numeracy?

Would you like to meet new people and gain extra skills?

This is the course for you!

Functional Skills Maths

This is a Functional Skills course for Level 1 and Level 2.

Functional Skills 'have been designed to assist learners of all ages and levels to be able to confidently demonstrate the practical skills needed in real-life situations'.

This is a 35 week term time only online course

You need access to the internet, an email address, lap top or tablet, as the course is delivered live via an online platform

You will need to be able to travel to take the final assessments
(There will be 2 exams if you want to complete Level 1 and Level 2 Functional Skills)

Tuesday 21st September 2021 to Tuesday 5th July 2022
10am – 12pm

Virtual classroom sessions will start at 10am and last for 2 hours
You will need to be available for this time each week
