Registered Charity no. 211015 (England and Wales):

Just giving details

Adrian Britton is fundraising for St Barnabas Hospice Trust (Lincolnshire) ([justgiving.com](https://www.justgiving.com))

Adrian Britton is fundraising for Stroke Association ([justgiving.com](https://www.justgiving.com))

Why are we organising the match

For those of you that didn't know Jonathon, known to his teammates and friends as 'Jonny', he first played for Holbeach United Social Club (Holbeach United's 'A' side) in the mid 1990's along with his twin brother Adrian ('Ady'). Jonny was a speedy winger / striker who could play on either flank and consistently chipped in with 10+ goals and 10+ assists per season. He was a committed, reliable, player, who was liked by all his teammates.

Tragically Jonny passed away in September 2012, aged 35 after a long, brave fight against spinal cancer, leaving behind a wife Jane and young daughter Ava.

Since 2013 we have tried to organise as many games as we can (this is the fifth game to date) with the aim to raise monies for charities in his memory. So far, the games that have taken place, have raised over £6,000.00 for St Barnabas Hospice and other charities that have a connection with Jonny's team-mates.

The charities chosen reflect who cared for Jonny during his illness, and The British Stroke Association who supported one of this events former players, Mark Jones ('Juddy').
