

Art and Design KS1

Throughout the year the children will cover a variety of aspects of the art and design curriculum to ensure all children:

- produce creative work, exploring their ideas and recording their experiences
- become proficient in drawing, painting, sculpture and other art, craft and design techniques
- evaluate and analyse creative works using the language of art, craft and design
- know about great artists, craft makers and designers, and understand the historical and cultural development of their art forms.

Autumn 2	<p>Digital Art Photographs using the iPads favourite areas of the classrooms Photographs of their friends Photographs of the outside area Photographs of the trees and losing their leaves Photographs of their art work made of natural resources Photographs of their models they have made</p>
Spring 2	<p>Collage Look at different materials and how they go together to make a picture Explore different textures and talk about textures (link to science) Use scissors to cut through different materials Textured rubbings Create collages to support the telling of traditional tales</p>
Summer 2	<p>Printing Explore the artist Peter Blake To print with different objects and explore what makes a good print To use tools to explore the natural world around us and create basic mono prints from leaves and petals Use photo sensitive paper to develop negative prints Make a block print with string Create a shield/coat of arms</p>
