

## Art and Design LKS2

Throughout the year the children will cover a variety of aspects of the art and design curriculum to ensure all children:

- produce creative work, exploring their ideas and recording their experiences
- become proficient in drawing, painting, sculpture and other art, craft and design techniques
- evaluate and analyse creative works using the language of art, craft and design
- know about great artists, craft makers and designers, and understand the historical and cultural development of their art forms.

### Autumn Term 1 and 2

#### ART (Cave Painting, Bayeux Tapestry)

##### Drawing

- Describe an image how things might have looked in the past or in another culture
- Draw things they can see from observation
- Make marks to describe textures, surfaces and forms

##### Painting

- Paint using traditional and unorthodox methods and techniques (rags, sticks, fabrics, sponges)

##### Sketchbook experimentation

- Use sketchbooks to practice and try out ideas and techniques

##### Evaluating Art

- Describe their work and the work of others
- Make choices and decisions about their art

##### Knowledge of Artists

- Make copies of small areas of the artwork to study techniques (cut out a square of a painting or artwork to reproduce)

### Spring Term 2

#### ART (Cityscapes)

##### Knowledge of artists

- Study famous works of art and architecture and give personal opinions
- Talk about how the artist produced his work
- Make copies of small areas of the artwork to study

##### Painting

- Start applying other artists elements into their work and identify them
- Experiment with colour, line, texture, shape and composition
- Learn how depth is created by varying tones and colours e.g. skies and landscapes
- Have an awareness of how tone can make paintings more realistic
- Start to manipulate light and shade for dramatic effect

##### Evaluating own art

- Describe their work and work of others
- Develop skills in orally describing their thoughts, intentions and ideas
