	(KS1), Amazing Arts, Magic Maths, First Aid (KS1), Cake decorating, Pottery, Chocolatiers and Tech with IPADs and links to careers. Mr. Emery said that he would like to involve Deeping St Nicholas in the University and hoped to get staff over to see how it works.	
Library	<ul> <li>Q. Is the library being used?</li> <li>A. One of the problems is getting the children there, setting up and then coming back, usually within an hour.</li> <li>Q. is an hour long enough?</li> <li>A. The problem is that an hour is normally the limit, especially in the afternoon. Longer sessions have the potential for students to lose interest.</li> </ul>	
Pupil Confidence	WS has recently come second in a Speed Stacks competition. What was noticeable was the loss of confidence when put under pressure and when compared with practice sessions. Mr. Emery said that the school tries to create a culture in the classroom where getting things wrong is acceptable at the same time as encouraging children to state what they have done well.	
Faculty Groups	Dates set for Art and Sport.	
Patchett Lodge	This project is still ongoing.	
Oracy	Mr Emery is keen to push ORACY throughout the school.	
Active English Training	Staff undertook this training yesterday evening. It was a useful exercise but needs to take account of the class you have. It is an expensive programme.	
Curriculum	This is still being worked on.	
Data	Mr Emery talked governors through the latest data from Target Tracker	
	Q. How are the children who are approaching SATs feeling? A. They are encouraged not to stress. We look at all the variations of questions that may arise. We are also encouraging children to attend the Easter school. Individual children who seek help are given that support.
