

Newsletter Term 6

We hope you're managing to keep cool during this heatwave. Our wonderful kitchen staff are munching their way through plenty of ice lollies to help them keep cool.

It's hard to believe that another academic year is almost over and we're racing towards the Summer Holidays. Willoughby Foods would like to thank you for all your support. We hope you have loads of fun over the upcoming six weeks and look forward to seeing you back in September.

Theme Day

Look out for our special themed day menu on Friday 9th September to celebrate Emergency Services Day.

Fruit for dessert

We tried something different with our fruit salad this term and trialled it in several schools. We were thrilled to receive such positive feedback. We were told that the children loved the new look and taste. Melons and strawberries have been on the menu and were a big hit too. 😊

Vegetable Lasagne

It's been great to start using produce grown in the Willoughby Foods School Garden in our school lunches. The vegetable Lasagne was very popular.

Willoughby Foods School Garden

We hosted an Open Day at our Willoughby Foods School Garden on Monday 18th July. Schools were invited to attend and meet Steve Orchard from Lincs Fm's Farming Programme. On the hottest day of the year we ensured everyone stayed safe with extra shade, plenty of water, sunscreen as well as hats very kindly donated by NFU. Tune in on Sunday 24th July to hear the interviews.

We've also been delivering tasty meals
