STUKELEY UNIVERSITY

Dear Parents/Carers,

I am delighted to share some very exciting news with you about the re-launch of Stukeley University for pupils in Y1 – Y6.

On Monday 6th and Tuesday 7th February, William Stukeley Primary School will once again be transformed into 'Stukeley University'. This innovative scheme is aimed at raising pupil aspiration and providing new opportunities for our children.

Next week, staff will present a range of seminars to the children, who will then select five seminars that they would most like to do. Of these, each child will be allocated two seminars; one which they will attend for the full day on the 6th February and the other for the full day on the 7th.

Each seminar will make specific links to potential career paths; thus, engaging children & raising the aspirations of our pupils.

At this time, we are not asking pupils to wear a Stukeley University t-shirt, which some of you may remember from previous years. Children will attend school in their normal school uniform, unless their allocated seminar requires specific clothing (eg: outdoor wear). We will inform individuals of this prior to the commencement of the seminars.

On the University days only, Willoughby Foods will be providing a packed lunch option only, as children will be eating in classrooms. Details to follow.

Next week, we will send out copies of the University prospectus, via ParentMail, so that you may see the fabulous experiences available.

I am sure that you will agree that this is a fantastic opportunity for your children. I look forward to reporting back to you on their progress and enjoyment.

Yours sincerely

Mrs Handson
